mood MATTER

Mood Matter is a new generation of sensory beauty, where professional performance meets emotional wellbeing.

We create products designed to transform everyday routines into uplifting rituals through scent, touch, color, and emotion, because beauty should change how you feel, not just how you look.

Our Hair & Body Mists are the perfect introduction to the brand: lightweight fragrances that invite your clients to choose how they want to feel, while offering a first glimpse into the multisensory world of Mood Matter. The ultra-fine, non-greasy mist leaves hair soft, smooth, and lightly conditioned while delicately scenting the skin.

SCENT PROFILES:

FEEL GOOD

Orchid • Vanilla • Salted Caramel

Soft, warm, and comforting – made for moments of pure joy.

FEEL EMPOWERED

Guava Juice • Lychee • Vanilla Pods

Juicy and vibrant – an uplifting burst of energy.

FEEL CONFIDENT

Mandarin • Chocolate • Warm Amber

Bright and rich – a bold blend that brings confidence forward.

FEEL MAGNETIC

Bergamot • Dewy Rose • Sheer Musk

Fresh, soft, and radiant – with an effortless pull.
