Introducing the PERSIMMON ROSE HAIRSPRAY

The Persimmon Rose Hairspray is a lightweight, buildable hairspray that provides flexibility and shine without leaving hair dull, stiff, or flaking. Using a unique blend of antioxidant-rich ingredients, such as Persimmon, Turmeric, and Saffron, we have created a hairspray which is able to nourish and strengthen, while helping protect the hair strand from heat, environmental stressors, and free radicals. Create bouncy, frizz-free styles meant to last all day.
